Name of Facilitator: Christoph Winkler
Email of Facilitator: christoph.winkler@kbcc.cuny.edu

1. Why did you decide to join this group?

*To be exposed to new technology
and see how it works for others.*

2. What do you hope to gain from your participation in it? That is, what questions do you hope to answer or what do you want to know more about?

*I want to see what works
for others and ~~see~~ see how
it might apply to my classes.*

3. Is there anything, in particular, that you would like to share with the group?

1. Why did you decide to join this group?

Because I want to see what type of technology is being used by other professors.

2. What do you hope to gain from your participation in it? That is, what questions do you hope to answer or what do you want to know more about?

I would like to get new ideas for ~~my~~ ~~my~~ infusing new technology in the classroom.

3. Is there anything, in particular, that you would like to share with the group?

I am not sure that technology should be used. Things like Facebook+ Twitter would have to be explained to me to convince me to use them as teaching tools.
